Caritas GOZO

The Gozo Diocese Caritas is a non-profit organization committed to address the material and social needs of those in difficulty residing in Gozo. It has a policy of bringing about the integral wellbeing of persons susceptible to any form of poverty.

The Gozo Diocese Caritas fulfills its mission by offering services to individuals and families regardless of creed, age or nationality who knock at its door, and who may be struggling emotionally, physically, socially or financially. With special preference for the poorest, Caritas strives to address the basic needs and alleviate poverty. c. Distribution of second-hand clothes, household equipment and furniture.
d. Laundry and shower for persons who do not have access of this basic need.
e. Soup kitchen operating three days weekly.
f. The service of a legal clinic to address legal issues around residence permits of migrants.
