DWAR IL-KAŻ RIĊENTEMENT IRRAPPURTAT FIL-MIDJA

Id-Djoċesi ta' Għawdex tieħu dejjem b'serjetà kbira kull allegazzjoni li tinvolvi minuri.

Id-Djoċesi tifhem li każijiet bħal dawn iqajmu mistoqsijiet leġittimi fost il-pubbliku.

Id-Djoċesi tafferma li hekk kif saret taf bil-kontenut tas-sentenza tal-Qorti, bdiet tiġbor u tanalizza l-informazzjoni kollha possibbli u tieħu l-pariri professjonali neċessarji sabiex tiddetermina l-eventwalità ta' passi ulterjuri.

Dan il-proċess qed isir b'attenzjoni u responsabbiltà, u b'rispett lejn il-persuni kollha involuti.

Id-Djoċesi hija impenjata li fuq kollox tħares il-persuni vulnerabbli.

ON THE CASE RECENTLY REPORTED IN THE MEDIA

The Diocese of Gozo always takes all allegations involving minors very seriously.

The Diocese understands that such cases raise legitimate questions among the public.

The Diocese affirms that as soon as it became aware of the content of the court judgment, it began to gather and analyse all possible information and take the necessary professional advice to determine the possibility of further steps.

This process is being carried out with care and responsibility, and with respect for all persons involved.

The Diocese is committed to protecting vulnerable persons above all else.
